Meisam Amjad

Dear Mr. Amjad,

Congratulations! You have been admitted to Miami University Graduate School to pursue the Master of Science in Computer Science in Computer Science beginning Fall 2017.

After considering this offer of admission and the program information you have received from the Graduate Director of Computer Science, please click on the “Decision Form” button in the Activity Page on the application student portal. If you accept admission, you will receive further information regarding registration and related issues. We would appreciate your decision as soon as possible and no later than April 15, 2017.

For additional information on Graduate School policies and related issues, please review the Handbook for Graduate Students and Faculty under “forms & publications” on the Graduate School [website](#). For more information about our International Students and Scholar Services, please [click here](#).

If you have questions regarding this offer of admission, please contact the Graduate Director of Computer Science. We hope you accept this offer of admission and join us here at Miami University.

Sincerely,

James T. Oris
Dean of the Graduate School & Associate Provost for Research
